As part of a registered charity the Friends raises much needed funds by subscriptions, donations, and legacies. These are used for the repair, maintenance, and improvement of St James' Church Building and grounds. We are an important source of revenue for the upkeep of the physical fabric of this lovely building. For over 1400 years it has been an iconic feature of Christleton and all who live in the community benefit from its magnificent profile. "Benefit" comes in different forms. As an active church it provides a place of worship for the Church of England community. It provides less frequent but vital reflection for those who attend baptisms, weddings and funerals. Finally its sheer presence provides a comforting and uplifting backdrop for all.
